**RESUBMISSION OF RESPONSE FILED APRIL 11, 2008 IN  
U.S. PATENT APPLICATION NO. 10/805,044**

---

Mail Stop Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450

Sir:

The undersigned attorney, Kelly Reynolds, received a phone call from Examiner Gross on July 11, 2008 inquiring whether applicants had intentionally not filed a response to the Office Action mailed January 11, 2008 in the above-referenced application. Applicants stated that a Response had been filed on April 11, 2008. The examiner said that the U.S. Patent and Trademark Office did not have a record of such submission and that he would look into the matter.

In a follow up phone call to the examiner on July 23, 2008, the examiner requested that applicants resubmit the response submitted on April 11, 2008, as the U.S. Patent and Trademark Office could not locate it.

Accordingly, attached is a copy of the response as submitted to the U.S. Patent and Trademark Office on April 11, 2008. Additionally, attached are copies of 1) the Auto-Reply Confirmation page as received from the USPTO, evidencing receipt of all 14 pages of this response by the U.S. Patent and Trademark Office on April 11, 2008 and 2) the Transmission Report generated by the undersigned attorneys' fax machine upon successful transmission of all 14 pages of the submission on April 11, 2008.

Request hereby is made for confirmation of the timely filing of the response to the January 11, 2008 Office Action for the subject U.S. patent application, and the entry of such response into the USPTO PAIR records for this application.

No fees are believed due with regard to either the present submission or the submission made on April 11, 2008. However, should any fees be required or an overpayment of fees made, please debit or credit our Deposit Account No. 08-3284, as necessary.

Respectfully submitted,

Date: July 24, 2008
